

LOVE2SWIM ENDORSED SWIM SCHOOL

Children all over Queensland attend Love 2 Swim lessons through schools, commercial swim schools and aquatic centres. Decrease in Aquatic injuries and drownings as well as the increase in swimming skills are the three main reasons why Love 2 Swim is active in Queensland. By educating children and adults in personal safety, basic rescue and skills in swimming we have a greater chance of achieving our goals.

Royal Life Saving Queensland has recently launched the "LOVE 2 SWIM ENDORSED SWIM SCHOOLS" program. This offers swim schools like you the chance to align itself with a Royal Life Saving Australia recognised water safety program. On registering as a Love 2 Swim endorsed swim school you will receive such benefits as:

- Marketing via the Love 2 Swim website
- Use of a nationally recognised lifesaving and swimming program
- An endorsement from Royal Life Saving Society Queensland's Love 2 Swim program
- Receive certificate of endorsement to display at your venue
- You will comply with the Australian Federal Government's ruling on GST free for Personal Aquatic education
- Being a member of a nationally respected peak body
- Receive Love 2 Swim resources and promotional material

Requirements to become a Love 2 Swim Endorsed Swim School:

1. Must have Royal Life Saving QLD qualified trainers
2. Must be utilizing the Love2Swim Program and Certificates in all facets of your swim school (eg. private learn to swim and school swimming)
3. Must be partnering Royal Life Saving QLD in the fight to reduce Aquatic injuries and Drownings
4. Must complete registration form (registration form can be found online or attached to email)

With the statistics showing that there has been a dramatic increase in drownings across the state, it is our responsibility as educators of water safety to make a difference. By becoming a Love 2 Swim endorsed Swim School you are partnering yourself with a nationally recognised program that is designed to reduce the high number of drowning that occur each year. With one easy step you could be saving a child's life.

(Note: The amount of resources distributed to each centre will be determined on factors such as: Number of students and Number of certificates handed out.)

(Note: Royal Life Saving Society Queensland reserves the right to deny recognition of a Swim school if the Swim school does not abide by the requirements listed above or has ceased utilising the Love 2 Swim program.)

Yours in Lifesaving,

Mark Frazer
